LEADERSHIP EXPERIENCE AND ACTIVITIES

Phi Kappa Psi Fraternity – 30 Volunteering Hours

Chapter President

October 2017 – December 2018

- Oversee all chapter operations of a 135-man chapter that has more than doubled in membership within one year
- Preside over weekly chapter meetings and inform the chapter of all business, initiatives, directives, and policies
- Ensure adherence to all policies of the national entity and provide documentation of achieving 27 core standards annually
- Maintain relationships with 4 alumni boards that oversee property management, scholarships, and vendor management
- Hold a semi-yearly leadership workshop to create realistic and well-defined goals and inform leaders of existing policies

Camp Kesem University of Texas at Austin Chapter – 120 Volunteering Hours

Camp Counselor

October 2017 - Present

- Volunteer time to fundraise in order to provide children affected by their parent's cancer summer camp at no cost
- Supervising children (aged 6-8 and 15-16) during two weeks of the summer at an overnight campsite
- Mediate any interpersonal issues between campers within the unit or between units

LIVESTRONG Foundation – 170 Volunteering Hours

Events and Fundraising Intern

May 2018 - August 2018

- Communicated with constituents concerning upcoming events or fundraising goals via phone and email
- Organized community engagement opportunities to promote initiatives, programs, and events
- Increased awareness for LIVESTRONG and its programs by engaging with local vendors and the UT community

FISD Independent Study and Mentorship Program

Student Member

August 2015 - June 2016

- Interviewed licensed anesthesiologists about pediatric and adult anesthesiology and the healthcare industry
- Shadowed under an attending pediatric anesthesiologist and associate professor at a Level I children's hospital
- Developed a research review of intubation teaching technique that was presented to peers at the end of the academic year

WORK EXPERIENCE

Dell Seton Medical Center – Surgical Intensive Care Unit

Patient Care Technician

June 2019 – Present

- Ensure the safety and comfort of all patients during their stay in the SICU and in the hospital
- Collaborate with the nursing staff to provide the best quality of care possible for patients
- Coordinate admission and discharge to and from the unit with an emphasis on efficiency and safety

VOLUNTEER EXPERIENCE

Dell Children's Medical Center – 90 Volunteering Hours

Post Anesthesia Care Unit (Recovery)

August 2018 – December 2018

- Turn over all used bays in order to prepare for incoming patients leaving surgery
- Provide patients with anything nonclinical they might need such as blankets, water, popsicles, or pillows
- Transport patients to either place of discharge or back to the floor where they can check in with their designated nurse

Simply Safety Store

May 2018 - August 2016

- Sell and describe proper use of safety items such as car seats, bike helmets, life vests, and household baby-proofing materials
